

education lockers - all steel

Probe Lockers offer colour options for every level, from kindergarten to college. From a simple cube upwards, the sheer variety of lockers available puts them at the top of every school's list for changing and storage requirements.

FREE ON-SITE ADVICE

STRENGTH

Every locker has a full height strengthener welded inside each door to increase strength and security.

WELDED PLINTH

Probe Lockers have a welded plinth making each compartment totally separate and increasing structural rigidity.

5 KNUCKLE HINGES

This strong hinge offers great durability and security.

LOCK OPTIONS

Probe offer a versatile range of locks ensuring a locker that is suited to your environment.

- Quality engineered to provide a sturdy and robust locker that will give many years of service.
- Built-in security features generate confidence that belongings will be kept safe.
- Replacement locks and keys are available if required. Numbered cards, for locker identification, available on request.
- Durable powder coated finish with colour options to suit your environment.
- **AC+IVECOAT**[®] anti-bacterial technology
The hard wearing anti-bacterial powder coating for an active environment as standard.
